PIASA CHAUTAUQUA
CHAUTAUQUA, ILLINOIS

87th ANNUAL PROGRAM
1972

1885 TO 1972

New Piasa Chautauqua — this year observing its eighty-sixth continuous season — started as a Methodist Camp Meeting Grounds in the summer of 1885.

A printed circular issued under date of July 13, 1885, announced the first Camp Meeting of the Piasa Bluffs Assembly to be held starting August 25, 1885, and continuing for one week.

The circular declared: "The object of the Chautauqua Assembly is to maintain a summer resort for literary, scientific and religious instruction."

That object has become the revered heritage of Chautauqua, each Season maintaining the standards adopted in that first year. This bulletin presents the 1972 eleven-week program which will start Saturday, June 10, and close Monday (Labor Day), September 4, 1972.

PRESIDENT'S COMMENTS

During the past year there has been a renewed desire on the part of your Board of Directors to improve our Physical surrounding at Chautauqua. This feeling seems to be prevalent among most Chautauquans and we hope that it will be evident in the appearance of our surroundings throughout the year.

Some people seem to feel that the word "Ecology" was just discovered. Perhaps the use of the word is new, but I can recall when we had no cans or bottles scattered around our grounds and roads and every bit of stray paper was hand picked from the ground. Right now will you individually pledge with me to cease being a "Litter Bug".

I personally respectfully suggest that each member of the family read these few sentences as well as our Rules and Regulations and help to maintain the Chautauqua we all love. Let's improve ourselves physically and morally. Attend Church regularly.

Yours for a happy summer.

LYNN SCHLANSKER,
President

By-Laws

ARTICLE II

OBJECT AND PURPOSES

Section 1. Object. The object for which the association was formed as stated in its certificate of incorporation is:

"To conduct a Chautauqua Assembly for religious, educational and scientific purposes and operate in connection therewith a summer resort."

Section 2. Policies. In fulfillment of this purpose, the association has since its organization found it feasible and possible to operate successfully without profit to its shareholders, to maintain well attended religious services and classes, to provide a place, facilities, and supervision for wholesome recreation and restful living during the summer season, and does hereby declare and determine that a continuation of such policies is for the best interest of the association, is essential to the accomplishment of its objects and will most effectively contribute to the physical, moral and spiritual welfare of its shareholders, cottage members, their families and guests, accordingly:

Section 3. Non-Commercial. It is declared that it shall be the policy of the association to prevent Chautauqua from becoming a commercial or secular enterprise during the period of its commitments to its cottage members, expiring November 30, 1985.

Section 4. Not for profit. The association shall continue to be operated and conducted without profit to its shareholders, and the net income, if any, shall not be accumulated for, or be paid to, or inure to the benefit of, its shareholders.

Section 5. Religion. The association shall continue to provide leadership and facilities for religious education and worship services, Christian but non-sectarian in character, as the underlying motif of the organization, and shall permit no sectarian or anti-Christian services or activities.

Section 6. Recreation and Retreat. The association shall, in connection with its religious program, provide facilities and leadership for children, and shall operate and conduct Chautauqua as a peaceful, wholesome, pleasant and safe place for rest and retreat from the pressures of modern living.

Section 7. Revocation or Amendment. This article shall be the central guide and control of the officers, directors and shareholders in all their actions and decisions, and shall not be revoked or amended except by a vote of not less than three-fourths of the entire board of directors and three-fourth of the shares of stock of the association, and then only after at least thirty-days notice by United States Mail, postage prepaid, to all officers, directors and shareholders, setting forth specifically and in detail the proposed resolution for revocation or amendment to be submitted for consideration.

Rules and Regulations Governing Chautauqua

Rules and Regulations governing daily living at Chautauqua are conceived in the interest of promoting public safety and making a pleasant and enjoyable stay for everyone possible. The cooperation of all persons in observing and obeying all By-Laws, Rules and Regulations of the Association at all times will be greatly appreciated.

1. **VEHICLES:** (a) All automobiles must be brought to a full stop at the Gate House at entrance to the Chautauqua grounds upon entering or leaving. The Gatekeeper is required to determine that each person entering the grounds is properly authorized for admission.

b—The speed limit of all motor vehicles on the Chautauqua grounds is 15 miles per hour. All "Stop" signs must be obeyed.

c—No one may operate a motor vehicle on the Chautauqua grounds who does not possess a Driver's License of the State in which he resides and who is not adequately covered by liability insurance. All motor vehicles are required to have a state license.

d—All residents and guests are urged to leave cars parked and to walk when possible. The unnecessary driving of motor vehicles on Chautauqua grounds will not be permitted.

e—Anyone judged guilty of careless driving shall be prohibited from driving on Chautauqua grounds.

f—Bicycles are not to be ridden on public walks or the board walk. Bicycle riders are urged to exercise caution in riding their bicycles.

g—Motorcycles and minibikes not allowed on grounds.

2. **COTTAGE GUESTS:** Owners wishing to have guests in their cottages must notify the Chautauqua manager and submit complete information about prospective guests to the board. The board reserves the right to withhold approval on applications.

If you expect guests, notify the gatekeeper in advance and make arrangements for their admission. Failure to make advance arrangements can cause embarrassment as the gatekeeper is not authorized to admit strangers to the grounds simply because they announce they have come to visit a Chautauqua resident.

3. **BUILDING:** No building or additions shall be erected, nor repair work started except with consent of the Board of Directors, under a permit signed by the Secretary. No building or additions shall be done from June 15th to September 10th.

7. **NOISES:** Your cooperation and consideration of your neighbor is asked in loud playing of musical instruments, radios and televisions at all times. Quiet hour shall be observed at 11 p.m. on week nights and 12:30 a.m. on Saturday nights.

8. **GAMES:** Use of courts or playing of all out-of-doors games is prohibited from 11 p.m. on Saturday to 12 o'clock noon Sunday. All outdoor games are restricted daily between the hours from 11 p.m. and 8 a.m.

10. **POSTERS:** No posters, hand bills, signs, or pictures shall be displayed on any part of the grounds other than on the Bulletin Board, and then only by permission of the Management. Approved Chautauqua organizations may obtain permission to advertise special events by referring request to office manager at the Administration Building.

11. **GARBAGE AND TRASH:** Garbage and trash shall be placed in covered containers. It will be collected at regular intervals during the season.

a—Soda bottles must be returned to the dispensing machine from which they were taken.

b—Papers and trash should be deposited in containers which are provided for this purpose around the grounds.

12. **GUNS AND FIREARMS:**

a—It is against our rules to hunt or discharge fire arms at any time and at any place on Chautauqua property. This also applies to air guns or air rifles.

b—The discharge of fire works, fire crackers or bombs of any type is not permitted at Chautauqua at any time.

The Management reserves the right to expel from the Grounds, or to refuse admission to anyone not conforming to these rules and regulations.

Special Notes and Comments

1. Chautauqua is what we each help to make it—both in and out of the regular season. Let us all observe its regulations, let us all partake of and support its activities, and if we have special talents let us make them available to Chautauqua for its benefit.
2. Please read again the rules section of the Program Book. Pages 4-6.
3. As Christians let us lead a Christian life; As Americans proud of our heritage to have a Chautauqua let us display the American flag.
4. Please check your name, address, etc. If there are any omissions or corrections let the program committee know so they can be changed next year.
5. For the benefit of new owners—The bell at the administration building normally is sounded $\frac{1}{2}$ hour before all events, and again at event time. The siren is blown at noon, 5:00 P.M., and in case of emergency. Religious and card party announcements, and movie reviews can be found on the bulletin boards in the vicinity of the Administration Building.
6. Some special safety and courtesy regulations for your consideration:
 - (a) Digging—There are underground telephone cables, gas, water, and sewer lines at Chautauqua. Please find the location of these before doing any digging. In the case of gas lines, these are made of plastic pipe and could easily be broken. There is a warning tape just below the ground at the gas line locations. **IF YOU SHOULD DIG UP THIS WARNING TAPE DO NOT DIG ANY DEEPER!**
 - (b) Bluff Climbing—The Spring area is an enticing but dangerous place for the children. **PLEASE RESTRAIN ANY CHILDREN FROM CLIMBING THE BLUFFS IN THIS AREA.** It is very dangerous, but could also deface the beautiful improvements that have been made there.
 - (c) Restraining Children—While Chautauqua is a place where children have freedom of the grounds, parents should restrain them from play activities during religious services, and also from annoying activities at the movies.
 - (d) Dances—This year we are inviting all Chautauquans from 9 to 90 to attend all dances until the first intermission, at which time children under 13 years of age are requested to leave. This does not apply to the dance on Childrens Day. Everyone on the dance floor is expected to observe the posted regulations, and to conform to the following clothes requirements: Male—closed shirt collar (with or without tie) or turtle-neck shirt, trousers, and shirt tail to be worn under the trousers. Female—dresses of acceptable length (no jeans, shorts, or slacks). Everyone shall wear shoes.

Daily Program of Events

Following is a list of many of the daily activities to be presented this season. Since changes and additions will occur, it is suggested that everyone listen to the announcements at the Auditorium and watch the bulletin boards.
